1. Introduction

Thank you for the opportunity to put together this proposal for **JONO Fashion House**. A strong website is often the first real impression people get of a business, and this proposal outlines exactly how I'll design and build one that looks professional, works smoothly on every device, and makes it easy for your customers to take action — whether that's getting in touch, booking a styling session, or shopping your collection.

---

2. Project Overview

- **Business type:** Fashion brand & online store
- **Website type:** Brand site with integrated e-commerce
- **Estimated pages:** 5 (Home, About, Shop, Lookbook, Contact)
- **Primary goal:** Build a premium online presence that drives sales and reflects the JONO brand identity

---

3. Scope of Work

This project includes:

- Custom, mobile-responsive design — the site will look great on phones, tablets, and desktops
- Up to **5** core pages, structured around your collections and customer journey
- A contact form connected directly to your email, so enquiries never get missed
- Basic on-page SEO — page titles, meta descriptions, and structured headings so the site is discoverable on Google
- Fast load times and clean, modern visuals aligned with the JONO brand

- One round of guided content input (you provide text/images, I handle layout and polish)
- Basic training on how to make simple edits after launch

---

4. Timeline

Milestone	Timeframe
Discovery & content collection	Week 1
Design mockups & feedback	Week 2
Development & build	Week 3
Review, revisions & testing	Week 4
Launch	August 12, 2026

---

5. Investment

Item	Cost
Website design & development	~~₦350,000~~
Optional add-ons (booking system, blog, extra pages)	~~₦50,000~~
Total	**~~₦400,000~~**

Payment terms: 50% deposit to begin work, remaining 50% due on completion, prior to launch.

> Domain registration and hosting are billed separately at cost (typically ~~₦30,000~~/year) unless otherwise agreed.

---

6. Why Work With Me

- Direct, one-on-one communication throughout the project — no account managers, no delays
- Clean, modern designs built for real results, not just good looks

- One free round of revisions included after launch, plus ongoing support available on request
- Past work includes Lagos Eats, AfroStyle Studio, and SwiftPay — brands built from the ground up with precision and purpose

---

7. Next Steps

To get started, simply confirm you'd like to proceed and send through the deposit noted above. Once received, I'll begin the discovery phase and reach out for any content or materials I'll need from you.
